HOUR OF CODE

HOUR OF CODE

Join the Hercules Library in celebrating Computer Science Education week with **Hour of Code**. A special program taught by computer programming professionals to introduce kids to the fun world of computer programming.

Monday, December 4 at 4PM: **K-4th Grade**
Tuesday, December 5 at 4PM: **5th-8th Grade**

Registration begins the week before each program.

For special accommodations, please contact the Library with 72 hour notice.
